## 7. System of play:

### TEAM EVENTS

**Team events will be played in two stages, groups in the first stage and KO in the second stage.**

- **Junior team format: A-X, B-Y, C-Z, A-Y, B-X (3 players minimum)**
- **Cadet team format: A-X, B-Y, Double, A-Y, B-X**

### SINGLES EVENTS

The competition in the JBS, JGS, CBS and CGS will be played in two stages defined as: [First Stage](#) and [Main Draw](#).

In the [First Stage](#) participants will be divided generally in groups of 4 or 3 players with priority given to groups of 4 players. As an exception to this rule, the Event Manager can authorize the division of the players in groups of 4 and 5 players (for example if the Tournament includes only singles and doubles events but not teams); in this case, again the groups of 4 players will be the priority.

Two players will advance from each group to the [Main Draw](#).

If the number of entries is larger than 64, the higher 8 or 16 ranked players taking part in the event will advance directly to the [Main Draw](#) and also if the number of entries is very low, lucky losers can also complete in the Main Draw.

The Event Manager, in agreement with the Tournament Director is the sole responsible person for all matter concerning the system of play.

Competition in the [First Stage](#) will be best of 5 games while the [Main Draw](#) will feature matches best of 7 games.

### DOUBLES EVENTS

For the doubles, the system of play will be knock-out from the qualification stages throughout the finals. All matches best of 5 games.
