REPORT TO THE 2010 CONGRESS in Ostrava

As Vice-President

As Vice-President

Meetings

- I participated in the different Executive Board meetings in Stuttgart (Germany) 18 September 2009, Düsseldorf (Germany) 5-6 February 2010, a telephone conference on 7 May 2010, then Moscow (Russia) 24 and 27 May 2010, and I'll attend the next meeting in Istanbul (Turkey) 23-24 July 2010.
- I was present to the final (2nd leg) of the Women's ETTU Cup held in Cartagena (Spain) on 5 June 2010.

Development program

- Mrs. Polona Cehovin-Susin, ETTU Youth and Development Department Coordinator, having decided not to renew her contract after 31 December 2009, a development meeting has been organized in Paris on 15 February 2010. Ms. Lilamani de Soysa accepted to provisionally take this new job, and thanks to the excellent cooperation between the different participants to the meeting, the ETTU development activities (in particular the Eurokids Camps) didn't suffer from this new situation.

As Medical Official

- European Championships in Stuttgart (2009): accommodation and food were excellent, and I have no specific medical problem to report.
- Doping control: in 2009 I received 73 results of tests at national and international level in Europe (66 in competition and 7 out of competition). 5 samples from 4 countries were positive : diuretics (1), beta-2-agonist (1), cannabis (1), T/E ratio > 4 (1), ?? (1). Moreover, one player has been suspended for 6 months for no show at the doping control station.
From January to June 2010, I received 3 positive results from 3 member Associations: cocaine (1), cannabis (1), methamphetamine (1). Some cases are still pending, but most of the players concerned have been suspended for a certain period of time.
