**v.20.7.2022**

The Table Tennis Champions League, hereinafter referred to as “the Event”, shall be organised according to the ETTU Regulations applicable for the Event, i.e. Chapter “J” of the ETTU Handbook.

The following directives provide a supplementary framework to the European Club Competitions Men (ECCM) regulations “J” and must be followed by all participating Table Tennis Champions League (TTCL) Clubs.

A club failing to do this shall be fined by the Club Competition Official and eventually made liable for the payment of all documented and undisputed damages claimed by ETTU, Sportradar or the sponsor(s).

The directives may be reviewed and amended in line with the decisions of the TTCL Management Board and the ETTU Executive Board to reflect updates to the general organisation and planning of the Table Tennis Champions League.

In case of equality in total points for clubs in important positions at the seeding, the most recent result will decide, if equal the result in the previous season, if still equal the result in the season before that. If still equal, a draw by lot will be done.

Limitation of teams per national Association for TTCL is 5.

In case of 2 clubs/teams qualified for the TTCL with the same management, ETTU can move the lowest ranked of the 2 clubs/teams to the Europe Cup and the vacant position in TTCL may be filled by the next highest ranked club/team of the seeding, unless the national Association of that club/team reached already the maximum (5) available places in the TTCL.

The Europe Cup winner from the 2021-2022 season is directly qualified for the Champions League of the 2022-2023 season.

If the Europe Cup winner club's/team's Association has already reached its quota (5) in Champions League then the club of that national Association being seeded 5 shall be moved to the Europe Cup.

The Europe Cup winner from the 2021-2022 season will be positioned as last team in the seeding before the wild cards' teams in case this team is not positioned higher by the European Club Ranking.

Teams seeded 17-24 can participate in the Champions League but not mandatory i.e. they are not obliged to compete in Champions League group stage 1 and may directly start at Europe Cup group stage 1 or at Europe Trophy (each team seeded 17-24 can decide if start in Champions League or Europe Cup or Europe Trophy).

If one or more teams seeded 17-24 will not start in the Champions League but in Europe Cup or Europe Trophy, the next seeded team(s) may take the last positions in the Champions League but the total number of teams for the Champions League and Europe Cup together cannot exceed 40.

2.2 **Wild cards** for up to 2 clubs/teams may be given by ETTU for clubs wishing to join the Champions League but not ranked high enough to reach a Champions League position by seeding.

Clubs asking for wild cards shall meet the following criteria in order to be accepted:

- show evidence of their playing venue to meet all directive criteria

- show evidence (preferably contract) of their top 3 players who will play ECC
- agree to pay a “buy in” of 10.000 € in addition to the entry fee.

Wild cards in Champions Leagues can only be given if the demanding club’s national Association’s quota (5) has not been achieved (clubs seeded 1-22 or 23).

These clubs/teams will be seeded number 24 (in case of 1) or numbers 23 and 24 (in case of 2).

In case more than 2 clubs ask for a wild card and meet all directive criteria, the clubs with the highest total points of their 3 highest ranked players in the most recent World Rankings will have priority.

A Champions League wild card is valid for 2 consecutive seasons.

Deadline for clubs applying for a wild card: 21.7.2022

2.3 Deadline for clubs’ team registration / confirmation of participation: 26.7.2022.

Deadline for players’ registration: 4.8.2022.

Deadline for the additional informations (club’s details): 10.8.2022.

2.4 A club/team wishing to enter the TTCL - Men shall enter on or before the deadline (26.7.2022) via its national association by entering all requested data i.e. the name of the club, name of the responsible authorised club representative with its phone number, e-mail address, confirming if wishing to host a group stage or not and any other requested information at the clubs’ team registration form.

Clubs shall then inform ETTU on or before the deadline (4.8.2022) the names of minimum six (6) and maximum twelve (12) players and any other requested information at players’ registration form. Clubs shall then inform ETTU on or before the deadline (10.8.2022) their address of the playing hall, type of the floor for the home matches, colour of the shirts, equipment (tables, nets, balls\*, surrounds), players information details and any other requested information at the additional information (club’s details) form.

The entry forms and information shall be sent by email to the ETTU Secretariat, to the email addresses as laid down in the respective registration forms.

2.5 The Clubs concerned shall pay to the ETTU bank account the following entry fee within 7 days upon reception of the final seeding list and invoice:

900€ for teams starting in the Champions League stage 2

600€ for teams starting in the Champions League stage 1

2.6 Clubs with any debts stemming from ETTU Club competitions (ECCM) will be unable to participate.

Clubs wishing to participate in the ECCM will only be accepted if the entry fees are transferred to the ETTU bank account according to article 2.5.

2.7 If a qualified team does not enter the TTCL or does not fulfil the requirements set up, the next highest ranked club of the seeding may fill the vacant position, unless the national Association of that club reached already the maximum (5) available places in the TTCLM.

2.8 In case a qualified team ranked 1-16 does not participate in the TTCL, this team is not allowed to participate in the Europe Cup nor in the Europe Trophy neither.

2.9 After release of the final seeding list, after the teams registration deadline, clubs have a 24 hours exit possibility. The clubs and the national Association of the clubs have to notify ETTU about their withdrawal by email. A cancellation fee of two hundred (200) € has to be paid to the ETTU bank account. All withdrawals after the exit possibility will be fined up to five thousand (5.000) €.

2.10 After the deadline for team registration, the clubs and their National Associations will receive the final seeding list with the entered teams.

- 2.11 After the deadline for players' registration, the clubs and their National Associations will receive a list with all entered players of the teams and the clubs and National Associations have 24 hours to inform ETTU in case of any irregularity or mistake. If nothing is notified after this deadline, the players' list shall be final and no additional player can be accepted.
- 2.12 Every club engaged in the TTCL has to participate with one official representative in a meeting and throughout the entire meeting, if convened by ETTU. For the 2022-2023 season a hybrid or video conference may be arranged. A club failing to participate with one official representative throughout the entire meeting will be fined according to regulation J.4.19 with 1.000 Euros.
- 2.13 All matches shall be played at a venue located within 5 hours from CET.
- 2.14 Participating clubs and their national Associations are responsible for any act or failure to act by the club, its players and officials with regards to finances, behaviour and fair play.
- 2.15 The competition shall be conducted by the ETTU Secretary General, whose authority shall include changing dates and venues of matches whenever needed.
- 2.16 All clubs wishing to participate in the TTCL must accept and provide the requirements.

*\*in case of an official ball sponsor, the official ball sponsor's balls shall be used*

### **3 COMPOSITION OF TEAMS AND ELIGIBILITY**

- 3.1 Only nominated players are entitled to represent their club/team. After deadline for player registration, no additional player can be accepted for a club/team.  
A club/team shall nominate 6 – 12 players.
- 3.2 A club/team can register up to 3 non-European\* players. In a team match up to 1 non-European\* player is entitled to play but the second/third non-European\* player, if given, can be only nominated as “reserve player” for replacing the other non-European\* player.
- 3.3. To define player nationality, ETTU will use the nationality as provided by the players' passports.
- 3.4. In case a player starts the competition as a non-European\* player and his nationality changes during the playing season he shall nonetheless continue to be considered as a non-European\* player up to the end of the current playing season.
- 3.5 After the entry deadline the ETTU Secretariat will send to the participating clubs and to their national Associations a list of the players nominated by each club.
- 3.6 A player shall compete only for one team, participating in ETTU club competitions, in the period starting the day before the first round of the competition until the day after the last match in the competition.  
That means a player may be registered for more than 1 team, in 1 or more Associations, participating in ETTU Club Competitions but the player shall only be registered for ETTU Club Competitions with 1 team.  
The responsibility for player participation in competitions other than the ETTU Club Competitions remains with the national Associations and the clubs themselves.
- 3.7 A player having signed with a club to play ECCM and refuses to play for that club in ECCM can be suspended for the following ECCM season(s) by ETTU.
- 3.8 In order to be eligible to compete in the semi-finals and finals, a player shall have at least 2 participations at team matches in the period before i.e. at least participated or having been present in the venue at 2 team matches minimum in total. No exception can be made. This eligibility directive also counts for Champions League teams relegated to the Europe Cup.

As presence count only if the player is confirmed on the official score sheet or team line up by the Referee or umpire. On that score sheet or team line up all players present in the playing venue before the match starts can be added. Team captains are responsible to check if their players present are written on the score sheet or team line up while signing it. No later request will be accepted.

\* A non-European player is a player with a nationality outside ETTU member Associations' countries.

#### **4 PLAYING FORMAT**

- 4.1 The teams seeded 9-24\* will play a 1<sup>st</sup> group stage round with 4 groups of 4 teams, in case 1 or more teams seeded 17-24 will not start in Champions League, and not equally replaced by the next seeded team(s) (25-40), the groups composition will be adapted. The 4 groups will be played by single round-robin during 2-3 days at 1 location for each group. The highest seeded teams have priority in hosting their respective group at group stage 1 provided they meet the criteria of hosting. The 4 group stage 1 2nds, 3rds and 4ths are relegated to the Europe Cup group stage 2.

Additional note: Teams may only relegate 1 time i.e. a team relegated from Champions League to the Europe Cup can no more be relegated afterwards to the Europe Trophy and teams cannot be relegated from Champions League down to Europe Trophy.

- 4.2 Teams seeded 1-8 and the winners from group stage 1 will play with 4 groups of 3 teams in group stage 2. Group stage 2 will be played by home and away matches (double round robin). The 4 group stage 2 runners up are relegated to the Europe Cup quarter finals. The 4 group stage 2 3rds are eliminated from the ECC.
- 4.3 The 4 group stage 2 winners continue in the final stage. The semi finals and finals will be played by home and away matches (double round robin).
- 4.4 The order of play in the group stage 1 will be as follows:  
Round 1 4v2, 3v1  
Round 2 1v4, 2v3  
Round 3 3v4, 1v2  
The host shall decide and inform in due time (upon request by ETTU) if they wish to play on 1 or on 2 tables. In case of 1 table, 1v2 shall be the last match played.

The order of play in the group stage 2 will be as follows:

- Round 1 1v3
- Round 2 2v1
- Round 3 3v2
- Round 4 3v1
- Round 5 2v3
- Round 6 1v2

A draw will be made by the Referee/umpire 60 minutes prior each team match to define which team is team A and which team is team B for each match.

- 4.5 In a group, 2 match points shall be awarded for a win, 1 for a loss and 0 for a loss in a not played or unfinished match, and the ranking order shall be determined primarily by the numbers of match points gained.

- 4.6 If 2 or more teams have gained the same number of match points, their relative positions shall be determined by the results only of matches between them, taking successively the numbers of match points, then the ratio of wins to losses in individual matches, then the ratio of wins to losses in games and then the ratio of wins to losses in points, as far as it is necessary to determine the ranking order.
- 4.7 If after any step the positions of one or more teams have been determined while others are still equal, the results of matches in which those teams took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedure of 4.5 and 4.6.
- 4.8 If 2 or more teams have gained the same number of match points and have the same ratios of wins to losses in individual matches, games and points, their relative positions shall be decided by lot. The Referee shall do this draw by lot after the end of the team matches with at least the team captains present and inform the ETTU without delay.
- 4.9 In the final stage (starting with semi finals), the winners of the groups from stage 2 will play in a single knock-out competition, with semi-finals and finals, (all home and away matches) to determine the winner of the competition.  
The home right for the first leg of the semi-final and final matches will be given to the lower ranked team of the seeding list.
- 4.10 Teams relegated from Champions League to the Europe Cup shall comply also with the Europe Cup directives.
- 4.11 In the final stage of the competition, (starting with semi finals), the knock-out competition method consists of 2 clubs playing each other where the loser is immediately eliminated from winning the TTCLM and the winner qualifies to the next round. The 2 clubs play 1 two-legged match - also called "Home and Away" match.  
In a "Home and Away" match, the winner is the club with more allocated points than the other one.

Allocation of points is as follows:

- a. 3 points for the winner of a 3:0 or 3:1 match,
- b. 2 points for the winner of a 3:2 match,
- c. 1 point for the loser of a 2:3 match,
- d. 0 points for the loser of a 0:3 or 1:3 match

In a "Home and Away" match, there is a tie between the 2 clubs when each club has the same number of allocated points. In case of a tie, the Golden Match procedure is used. The Golden Match will be started 10 minutes after the away match (2nd leg) is over.

The Golden Match consists of 3 games (sets) best of 3. The club winning 2 games (sets) is the winner.

The team captains chose for the Golden Match each 3 players who are according to the directives eligible to play and chose for each player the position 1, 2 and 3. The team captains have to provide their line up for the Golden Match to the Referee within 3 minutes after the regular away match (2nd leg) is over.

There shall be no time out at the Golden Match and no change of ends during a Golden Match game (set).

Regarding the rules concerning discipline (advice, misbehaviour and good presentation) the Golden Match is seen as a continuation of the previous team match. The order of play in a Golden Match shall be A1 v B1, A2 v B2, A3 v B3. The Golden Match is over once one club has won 2 games (sets).

**SPECIAL NOTE:**

At regular team matches, the match shall end when a team has won 3 singles even if the “winning club” is already decided before. Walk overs without proof of injury or illness by a medical doctor present at the match will be penalised. Apart from a financial fine, the club whose player(s) made walk over(s) without acceptance of a medical doctor will get 0 points for that team match.

**5. PLAYING SYSTEM**

5.1 The playing system shall be the New Swaythling Cup system (best of 5 singles) and in each individual match, the 5<sup>th</sup> game (set) shall start at 0:0 and play until the first player reaches 6 points (sudden death point at 5:5). In the 5<sup>th</sup> game (set) each player shall serve only once in a row and there will be no change of ends in the 5th game (set).

5.2 A team shall consist of 3 or 4 players selected from those nominated by the team's club for the event.

It is recommended that a team always arrives at a match with at least 4 eligible players to reduce the risk of walk overs in case player(s) get ill/injured shortly before the match start. When walk overs could have been avoided by the participation of the club's reserve player, the club may be fined by the Club Competition Official.

This recommendation is based on a requirement for fair play towards the TTCL, the opponent club, spectators, media and the Table Tennis sport.

A team will lose by walk over (WO) in case the team has less than 2 players ready to play.

5.3 All individual matches (singles) of a same team match shall be played on the same table.

5.4 The home team is considered to be composed by the players A1, A2, A3 and the visiting team is considered to be composed by the players B1, B2, B3.

In the first group stage (played at 1 location) a draw will be made by the Referee or umpire in order to define which team is A and B.

The order of play in a team match shall be A1 v B2, A2 v B1, A3 v B3, A1 v B1, A2 v B2, and the match shall end when a team has won 3 singles, each the best of 5 games.

After the second single in a team match, player No. 4 of the team may replace player A1 or A2 (for the home team) respectively player B1 or B2 (for the away team). Such a player substitution must be announced by the respective team captain to the Referee at the latest before the start of the third single.

5.5 Intervals between individual matches shall not exceed 1 minute except for the interval after the second individual match, where a 15 minutes break is accepted. For group stage matches (played at 1 location), televised matches or for any other marketing reasons, there shall be no delays. The home team shall inform the visiting team, ETTU and the Referee 1 week prior the match about the interval planned after the second individual match. At each time-out and between each game, the umpire shall place the Time-Out-Clock on the table in the main camera direction (if available).

5.6 **MULTI BALLS AND BALL BOYS AND GIRLS (BBGs)** *mandatory starting from the second group stage*

The host club has to put on disposal before the match starts 40 balls and the 2 team captains shall choose 30 balls (15 balls each).

In each match 30 balls shall be kept by the umpire who will provide after each point a new ball to the serving player, in case the ball used from the previous rally is not in imminent reach of 1 of the 2 players. Balls remaining in the Field of Play (FoP) will be collected after each rally by ball boys/girls (BBGs) organised by the home club. 2 BBGs shall sit behind the corner board (1 on each long side, places marked "x" on below diagram). BBGs watch the playing field and collect the balls from the floor, and then run back to their zones. BBGs collecting balls should only move in designated areas (marked "→" on below diagram). BBGs have to return the balls to the umpire after each game, during time outs and when the umpire runs out of balls.

Delivery of the balls to the umpire may occur at any time after a distinct signal from the umpire to the BBGs.

Balls leaving the FoP will not be collected during a game.

BBGs move only according to "→" on below diagram to hand over the balls to the umpire.

BBGs shall be dressed in sportswear, preferably similar clothing.

There is no age limit for BBGs, however BBGs shall be mentally and physically able to be fully concentrated and collect balls quickly.

BBGs shall behave and act neutral.

Before the service, players receive the balls from the assistant umpire.

After the rally, players do not collect the balls from the FoP, they continue the game, unless the rally ends in imminent reach of 1 of the 2 players, players can reuse that ball for the next rally.

There shall be 1 chair in each of the x marked boxes so that BBGs do not disrupt the matches.

Up to 10 seconds after the previous rally finished, except for towelling after every 6 points from the start of each game, the serving player has to start the next rally and the receiver has to be ready as well.

The clubs are recommended to make a training session with the BBGs.

Playing field with designated zones for BBGs.

5.7 The match protocol must be strictly followed for all matches. All televised matches must additionally follow the respective running-order.
