**TABLE TENNIS  
CHAMPIONS LEAGUE**

**TTCL Men - Licensing Regulations  
2016/2017**

The following Licensing Regulations must be agreed by the clubs. The clubs must be able to fulfill the following requirements for being accepted to take part in the competition.

The participating clubs of the TTCLM season 2016/17 need to:

- be able to play the TTCLM matches on weekdays
- provide a stable internet connection of minimum 3Mbit/s upload for their home matches
- provide an international high quality TV signal for the semi-finals and finals (home matches)
- set up a court layout with 36 A-boards for their home matches
- provide a camera position so that also the backside of the competition table is visible for their home matches (Figure 1 acts as an example – the mandatory criteria is that the backside of the table is visible)

By signing below, the clubs certify that they are able to fulfill all above mentioned requirements. A club not being able to fulfill these Licensing Regulations will not be accepted to participate in the TTCLM season 2016/2017. If during the playing season, a participating club is violating these Licensing Regulations, this club will be made financially responsible for any loss occurred.
