Anti-Covid-19 protection

General

The health of everybody, most of all the one of the players, has priority! Since February 17th, the laws from Swiss government are as follows:

- No restrictions except wearing masks in public transport and get isolated when tested positive

The ETTU and the LOC have therefore decided not to impose any further requirements.

Nevertheless, knowing, that the virus is still around and that we have guest from many countries, where the Covid situation is different then the one in Switzerland and which have stricter rules then in Switzerland, **we appeal to self-responsibility!** The general recommendations are in line with WHO requirements for reducing the risk of transmission of acute respiratory infection. The basic principles of the rules for preventing the transmission of infection are as follows:

- Wash hands regularly with soap and water for at least 30 seconds
- Avoid touching eyes, nose or mouth with hands
- Prevent the risk of an upper respiratory tract viral infection
- Sneeze or cough into the elbow
- Respect the physical distance of 1.5m
- Wear a mask indoors even if the social distance of 1.5m is respected
- (eating areas, meetings, transportation, etc.)
- Stay isolated in case of Covid-19 or flu-like symptoms

We can provide you with PCR or hygienic masks in the office of the committee.

Antigen rapid test or PCR tests

In case you need to have an Antigen rapid test or a PCR test to travel back home, please contact Dr. Gérald Gremion. The tests will be done in the venue. For PCR tests, you have to do it on Friday to get the results in time before your departure.

Procedures in Call area

During the event, there is a call area. The indicated time-limits below (clothing, racket deposit and control, ball choice) **are to be strictly observed.**

Racket Testing

The players are required to bring their rackets at the call area **20 minutes before the scheduled** starting time of the match or latest at the start of the previous match if there is delay. **Rackets not presented before the match will always be tested after the match in the Call Area with the risk of loss of the match. Players may collect their rackets from the Call Area 15 min later.**

Names of the players

- **Players** shall have their names printed on the back of their shirts. Players failing to compete with a shirt including their name on the back, shall receive a fine of Euro 100 for each match played without a printed name. The fine may be deducted from the prize money.

Colour of the shirts

- Before the match the players should show their match shirt.
- **The color of the shirts will only be checked if the name of one of the players is missing on the back : in that case only, the player without name will have to change shirt in case of clash of color. If both names are missing, the umpire will toss the players having to change shirt in case of clash of color.**

Multi balls

Multi ball system will be used throughout the event.

Each player may choose 15 balls in the Call Area before match starting time. If only one player comes for the ball selection, the umpire randomly selects 15 additional balls.

If no player selects balls, the Umpire will randomly select 30 balls.

Coach

- Only one coach is permitted on the playing field (behind the surroundings).

CCB Europe Top 16 Cup Montreux Farewell drinks in Montreux Jazz Café

The event Organizing Committee invites everybody on Sunday evening from 10 pm to enjoy a celebration and farewell drink in the bar of Montreux Jazz Café. We hope you will join us!
