Qualification

The ETTU Secretary General invites the eligible and reserve players for each event derived from the last available European Ranking List.

- a) The current European Champion.
- b) The top 14 players from the last available European Ranking List excluding the current European Champion, or top 15 players if a Host Association player qualifies.
- c) If no players qualify from the Host Association then the Host Association will nominate one Host Association player.

There will be no more than 4 players from an Association.

The Draw

In the first stage all 16 players will be divided in 4 equal groups of 4 players. 2 players from the same association can not be in the same group.

Players seeded 1st, 2nd, 3rd and 4th will head each group A, B, C and D respectively.

Players seeded 5th, 6th, 7th and 8th will be drawn randomly into the second position of each group.

Players seeded 9th to 12th will be drawn randomly into the third position and players seeded 13th to 16th will be drawn randomly in the fourth position of each group.

The top 2 finishers from each group will advance to the knockout quarter-final stage of the competition. The winner of Group A will be seeded first (position 1 in the draw).

The winner of Group B will be seeded second (position 8 in the draw).

The winners of Groups C and D will be drawn into positions 4 and 5 of the draw.

The second place finishers of each group will be drawn into positions 2, 3, 6 and 7 of the draw.

There will be a separation of group winners and second place finishers from the same group, so that they cannot meet before the closing rounds.

System Of Play

The tournament shall consist of 2 stages. Round-robin group matches in the first stage, followed by a progressive knockout draw to decide the first 8 positions. Group stage will be played best of 5 games. From quarterfinals on all matches and all position matches will be played best of 7 games.

Losers of the quarterfinals will play for positions 5-8, respectively for positions 5-6 and for positions 7-8.

Losers of the semi-finals shall play each other for 3rd place and 4th place. Positions 9-12 will not be played and players finishing 3rd in each group will have the same final position (9th – 12th place).

Positions 13-16 will not be played and players finishing 4th in each group will have the same final position (13th – 16th place).

First 3 players in both events will be qualified for 2017 ITTF World Cups with limit of 2 players per association.
